

BISHOP FENWICK PRESCHOOL

You have our dedication to your child's learning.

Thank you for your interest in Bishop Fenwick Preschool. Our program is designed to meet the developmental needs of young children, ages 3 to 6. Our Bright Start class for three year olds offers children unique opportunities to explore, learn, and grow. Children who will have the opportunity to enjoy two years of preschool before entering Kindergarten will find just the right balance of play and center based learning in our Dynamic Discoveries classroom. Our KinderStrides class is designed specifically for children who are preparing to enter Kindergarten the following school year. All children are engaged in active learning every day. You may choose from half or full day programming, and for those families who need care longer than the average school day, Aftercare is offered until 5:30 daily. Bishop Fenwick Preschool is licensed by the Ohio Department of Education.

Our curriculum fosters mastery of Ohio's Early Learning and Development Standards and includes activities in language arts, math, science, fine and gross motor, and social and emotional development. Our full day program also offers specials such as gym and music. We have structured our program in such a way that each child has the opportunity to create, explore, and learn problem solving and social skills within a loving and caring Catholic environment. We believe that children learn and develop self-confidence through a balance of self and teacher directed activities. Our program is responsive to the individual needs of each child. We have created an atmosphere where children feel safe and comfortable and acquire the skills needed to build a foundation for a lifetime love of learning.

Bishop Fenwick Preschool is an opportunity your child can't afford to miss. The entire Bishop Fenwick Family welcomes you to visit with your child; please feel free to call for a personal visit and tour of our facility. Our direct Preschool phone is (740) 450-7478.

For your convenience, additional information about Bishop Fenwick Preschool is attached. Please view the available class schedules to determine how your child would best be served in our program. We are sure you will find the monthly rates for the preschool's outstanding service to be affordable and competitive. A registration form is also included. We look forward to meeting you.
